December 31, 2017

Customer action request

Please get in touch with your corresponding sales representative to clarify if a transition to a potential successor software is possible.

Possible successor

Allied Vision Vimba SDK

The Allied Vision Vimba SDK offers support for all FireWire cameras. Vimba also supports cameras with other interfaces and Windows 10 32-bit and 64-bit.

For more specific details and more alternative products, please contact your Allied Vision Support or Sales representative.
