Discontinuation

**Affected Products**

Full product series, for article number see Annex

**Change Description**

Last-Time Buy period for all Sony CCD-based sensors is ending soon. Consequently, Allied Vision is required to discontinue the camera models associated with the affected sensors. As a result, the following product series will be discontinued: Guppy, Guppy Pro, Stingray, Prosilica GC.

**Reason for Change**

Sensor discontinuation

**Impact / Possible Successor**

Allied Vision offers a Last Time Buy period, effective immediately and concluding on August 31, 2024, accompanied by an extended Last Time Delivery phase. This approach acknowledges the challenges posed by the discontinuation for our valued customers and partners.

Additionally, Allied Vision is pleased to offer affected customers and partners access to appropriate successor products built on our Alvium platform and as well on the EXO series of our sister company SVS Vistek (part of the TKH 2D vision group). For further information or to explore options such as Last-Time-Buy or potential migration to our future-proof platforms, we encourage you to reach out to your dedicated sales representative.

Please note that special terms and conditions apply.
